

BENNETT ECO PRICE LIST

EFFECTIVE APRIL 25, 1941

SUBJECT TO CHANGE WITHOUT NOTICE

On all equipment on this price sheet prices are F.O.B. factory or warehouse with freight allowed to destination on all shipments over 100 lbs. Actual weights shown on Bill of Lading will be used to compute freight allowances.

These prices do not apply in the states of California, Washington, Idaho, Utah, Oregon, Nevada and Arizona.

All prices subject to change without notice.
